

Concrete Hopper

Concrete Hoppers - This particular accessory is a self-dumping hopper that automatically starts to dump as bumper release contacts the side of a dumpster. When dumping is finished, the hopper goes back to a locked and upright position. This particular piece of equipment likewise comes along with a cable which enables operation from the seat of the lift truck to be able to have the option of manually dumping the hopper. There is a locking chain provided in order to lock the hopper to the fork truck. This particular product is made with consistent and reliable robotic welds for maximum strength. The lift truck dumping hopper also has a blue powder coat finish in order to maintain durability.
