

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are recognized in the business as strong and durable machinery which meets the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities in Springdale Arkansas. These types of scrubbers are on the market under the trade mark name "Encore". American Lincoln can supply warranty service, equipment and components for these kinds of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like for example Wal-Mart and Target. The 7765 line has earned the respect of many facility supervisors where results and efficiency count. Lately, this floor scrubber model has been used by the architects in different construction projects like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site because of the model's high standard of quality and utmost performance level for polishing concrete.
