

Trek Part

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than sixty years combined experience with successfully developing, marketing, manufacturing, designing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to offering top quality and new design concepts to be able to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They enjoy providing items which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys tackling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills together with their comprehension of cleaning applications, together with owners' strong desire to significantly lower cost through productivity gains.

The personnel at TREK and their dealer-partners are strongly committed to having both technical support and parts available when it is required. Their high service commitment is one of the core values in their customer service. Keeping their clients' cleaning machines working and ready everyday is top priority. The company's top of the line technology delivers dependable machine which ultimately lowers your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
